E V PREMIER BANKER — One of the top bulls we have offered. We feel that his background and individuality should make him one of the outstanding stock bull prospects to be sold in Kansas this year. His grandsire, Mount Banker, was reserve champion and top selling bull at Perth in 1947. His dam is from the Nonpareil tribe of cows that have produced many good cattle for Kansas State College. She is by Maxwalton Harvester who left many good daughters not only in our herd, but for the Tomsons, and all over Kansas. He is ready for heavy service and is right on the ground with a wonderfully rich dark red color.
